

petitioned for review of various parts of the final ID.

The Commission reviewed the ALJ's final ID in its entirety, and solicited further briefing from the parties on the issues on review, as well as the on the issues of remedy, the public interest, and bonding. 71 FR 20131 (April 19, 2006). On review, the Commission found the asserted claims to be infringed by Sinorgchem and Sovereign, made a determination of violation of section 337 by Sinorgchem and Sovereign, and issued a limited exclusion order. The limited exclusion order bars the unauthorized importation into the United States by Sinorgchem and Sovereign of 4-ADPA, made by a process covered by claim 30 of the '063 patent or claim 7 of the '111 patent, and 6-PPD, made by a process covered by claim 61 of the '063 patent or claim 11 of the '111 patent.

Sinorgchem appealed the Commission's final determination to the U.S. Court of Appeals for the Federal Circuit ("Federal Circuit"). On December 21, 2007, the Federal Circuit issued its judgment vacating and remanding the Commission's final determination for further proceedings consistent with the Court's opinion. *Sinorgchem Co., Shandong v. International Trade Commission*, 511 F.3d 1132 (Fed. Cir. 2007). Intervenor Flexsys America L.P. ("Flexsys") petitioned the Federal Circuit for rehearing and rehearing *en banc*. The Commission supported rehearing. On April 7, 2008, the Federal Circuit denied the petition for rehearing and rehearing *en banc*. The mandate of the Court issued on April 14, 2008.

Upon consideration of this matter, the Commission has determined to rescind the limited exclusion order relating to the importation of rubber antidegradants made by Sinorgchem and Sovereign. The Commission has also determined to remand the investigation to the presiding ALJ for proceedings consistent with *Sinorgchem Co., Shandong v. International Trade Commission*, 511 F.3d 1132 (Fed. Cir. 2007), including issuance of a final initial determination on violation and a recommended determination on remedy and bonding.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), the Administrative Procedure Act, and Part 210 of the Commission's Rules of Practice and Procedure (19 CFR Part 210).

By order of the Commission.

Issued: June 3, 2008.

Marilyn R. Abbott,

Secretary to the Commission.
